

# Solutions to Holiday Hunger

## 1. More investment

Increase investment in holiday food and fun schemes to £4.75 million a year, enabling 16,000 children to benefit

## 2. Defined standards

Set minimum standards for nutrition, scheme activities, safeguarding and parent / carer involvement

## 3. New laws

Enact legislation to require local authorities to co-ordinate sufficient holiday food and fun provision

## 4. Emergency support

Provide access to emergency financial support to families in school holidays via the Discretionary Assistance Fund

## 5. Financial guidance

Help with budgeting during the holidays with flexible payments e.g. of rent or council tax

## 6. Holiday supplements

In the long term, boost family incomes with a holiday income supplement.
